Nicole Alyson Bruma

Gateshead, Tyne & Wear
nicole.bruma@outlook.com · LinkedIn · Portfolio link

BSc (HONS) Games Computing student on the final year in Northumbria University, with competent experience in C++ programming language, Unreal Engine, and website development. Holds demonstrable strategic thinking and problem-solving skills gained through academic background, hands-on programming projects, and through real-world job roles. Actively looking for opportunities within game development and the tech industry, where I can showcase my skillset and contribute innovative programming and design solutions.

SKILLS

Technical Skills

- Unreal Engine (Blueprint)
- Competent C++ programming (SONY PS4 Dev kit, Unreal Engine, Hornet engine)
- Version control using GitHub
- Basic 3D Modelling – Blender
- Web / Game Design – Figma
- Basic Database management (MySQL, Power BI)
- Advanced beginner – HTML, CSS, Python (Pywebio), React JavaScript
- MS Word, MS Excel, and MS PowerPoint

Design Skills

- Wireframing for Web and App Development
- High Fidelity prototyping using Figma
- Game Design Documentation
- UI/UX for Web, App Development & Games
- Creativity with storytelling and level designs

Personal Qualities

- Strong written and verbal communication skills honed especially during dental nursing job roles.
- Excellent multitasking abilities, capable of managing multiple projects at different development stages.
- Thinking outside the box: Critical thinking and problem-solving skills

Languages

Fluent in English and Tagalog

EDUCATION

September 2023 – July 2026 (Expected degree classification 2:1)

- **BSC (HONS) Games Computing,** Northumbria University
  Achieved 1st class grade in the first year and a high 2:2 grade in second year

September 2022 – July 2023

- **Access to Higher Education: Science,** Distance Learning Centre

PROFESSIONAL EXPERIENCE

July 2025 – Present (Part time – only if needed)

- **Wix Website Developer / Admin,** Windlesham Manor
  User-centred design: Designed and development of a care home website that is UI/UX focused and well-tailored to target audiences together with contextual awareness design for audiences of PC, mobile, and tablet users.

July 2019 – November 2025

- **Qualified Dental Nurse,** Crowns Ltd., The Park Clinic, & Tonbridge Dentistry
  Highly Organised: Capable of multitasking, managing clinical stock, and preparing surgeries.
  Strong Communication: Professional, clear communication with patients and team members.
  Attention to Detail: High standards in decontamination, infection control, and charting.

July 2016 – Present (Bank staff)

- **Healthcare Assistant,** Windlesham Manor
  Reliability and Patience: Necessary for handling demanding situations.
  Adaptability: Ability to work in fast-paced environments.
  Observational Skills: Monitoring changes in patient conditions.

UNIVERSITY EXPERIENCE

Semester 1 – 2026

- **C++ 3D Graphics Programming: SONY PS4 Dev Kit,** Northumbria University
  Developed 3D graphics applications in C++ using a Sony PS4 Dev Kit, implementing geometry, shaders, and lighting techniques, with experience managing multiple rendering pipelines for varied model objects.

Semester 1 – 2026

- **Escape Room Game High Fidelity Prototype,** Northumbria University
  Lead designer in a university team to collaboratively develop an escape room game prototype using Figma and Agile methodologies, with a focus on user experience, quality assurance, and iterative design solutions.

Semester 2 – 2025

- **Dear Diary PWA,** Northumbria University
  Designed, built, and tested a journalling mobile web application using React JavaScript and industry-standard tools, with broad knowledge of development techniques spanning design, implementation, and testing.
